In continuation of our earlier discussion, I am to inform you that the examination schedule of different subjects offered under distance mode is available in our University website (www.skucde.com) which is updated from time to time. Hall tickets of the candidates are being uploaded from 8th January, 2017. You are requested to inform your students to download their hall tickets with their allotted registered numbers. Further you are also requested to convey the information to the students of others colleges (allotted to your center) where the examination is not conducted.

I solicit your cooperation in smooth conduct of the examinations.

Yours sincerely,

Director of Evaluation
