TO

The All Study Centers (College) Principals/ Coordinators
Directorate of Distance Education
S K University Anantapuramu.

This is to inform all the study centers of the Directorate of Distance Education, S .K. University that payments of all fees like course fee, examination fee and others must be remitted only through Andhra Bank branches in favor of Andhra bank, S.K. University. Majority of the study centers are sending their demand drafts to the DDE late (usually after three months) . As a result of this, majority of the demand drafts are getting invalidated and the university is incurring huge loss and at the same time the students are losing their admissions and are finding it difficult to get their various certificates on time. Hence it is suggested that the study centers pay all kinds of payments pertaining to the Directorate of Distance Education through Andhra Bank branches only in favor of Andhra Bank, S.V.Puram,S.K. University.
